Further, pursuant to 37 C.F.R. 1.324(b)(3) and 37 C.F.R. 3.73(b), the undersigned, who states that he is authorized to act on behalf of Toyoda Gosei Co., Ltd., assignee of the above-identified patent, hereby submits a copy of a Statement under 37 C.F.R. 3.73(b). The undersigned asserts that the attached Statement is documentary evidence of a chain of title from the originally named inventors to the assignee, and of the consent of the assignee to the addition of Mr. Miwa as an inventor.

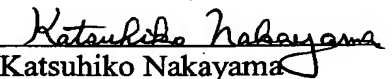

Pursuant to 37 C.F.R. 1.324(b)(1), a Statement executed by Mr. Miwa is attached that evidences Mr. Miwa's lack of deceptive intent in being initially omitted as a named inventor.

As a petition to add the above-identified inventor (Koji Miwa) was timely filed on March 9, 2006 pursuant to 37 C.F.R. 1.48(b), and as the petition was erroneously disapproved, it is respectfully requested that the petition fee that is due under 37 C.F.R. 1.20 be waived. If it is determined, however, that the fee pursuant to 37 C.F.R. 1.20 is not waivable, it is respectfully requested that the requisite fee be charged to Deposit Account 50-1147.

Respectfully submitted,
